

912 - Clerkenwell, London

Case studies

02.02.21

The client required a £220,000 second charge residential loan to raise capital. The property used as security was a recently renovated property that is to be refinanced to Kent Reliance. Due to current market conditions, there was a delay on refinancing which is why the client required a bridge. The LTV was 65% and the loan was charged at 1.20% interest per month for 12 months.

Capital is at risk. Property values can go down as well as up. Borrowers may default and investments may not perform as expected. Interest and income are not guaranteed. Returns may vary. You should not invest more than you can afford to lose. TAB is not authorised by the Financial Conduct Authority. Investments are not regulated and you will have no access to the Financial Services Compensation Scheme (FSCS) or the Financial Ombudsman Service (FOS). Past performance and forecasts are not reliable indicators of future results and should not be relied on. Forecasts are based on TAB's own internal calculations and opinions and may change. Investments are illiquid. Once invested, you are committed for the full term. Tax treatment depends on individual circumstances and may change.

You are advised to obtain appropriate tax or investment advice where necessary. Understand more about the key risks [here](#).
